

The Herald and News

Married.

By Rev. D. P. Byrd, April 2, 1902, Mr. Thomas M. Werts, of Silver Street, S. C., to Miss Minnie L. King, daughter of Capt. J. N. King, of Greenville, S. C.

The Dancing School.

The dancing school, which will be conducted by Messrs. H. T. Renwick and C. J. Moore, will open in the morning on next Monday afternoon at 5 o'clock, all who will attend are requested to be present.

Married at Peak.

The marriage of Mr. James H. Hope and Miss Maggie Swygert, daughter of Mr. John C. Swygert, at Peak, on Wednesday was quite a brilliant affair. The many friends of the popular young couple in Newberry wish them much joy and happiness through life.

Low Rates Appreciated.

The reduced rates offered by the railroads for Tuesdays is doing the work. From all parts of the State great crowds are taking advantage of the low fare and attendance at the exposition is on the increase. The railroads are certainly doing their share towards making the exposition a success.

County Treasurer Kept Busy.

Saturday of last week and Monday of this were two of the busiest days witnessed at the County Treasurer's office for a long time. He and his assistant both were kept busy from early to late in the day. The people have paid up pretty well, about as usual, and the delinquent list will not be large.

Wields a Sharp Ax.

Millions marvel at the multitude of maladies cut off by Dr. King's New Life Pills—the most distressing too. Stomach, Liver and Bowel troubles—Dyspepsia, Loss of Appetite, Jaundice, Biliousness, Fever, Malaria, all fall before these wonder workers. 25c. at all druggists.

Harry Ward's Magnificent Minstrels.

The positive date for the appearance of Harry Ward's Magnificent Minstrels has been agreed upon for Monday, April 7th, at the opera house and we will shortly have an opportunity of witnessing what is promised to be not only the greatest company ever organized, but the most varied program yet presented, embracing everything in the minstrel line, that is entertaining and in pace with the times. Mr. Ward brings to us the best minstrel show of the season, and will no doubt pack the house, as his past reputation as a promoter of up-to-date minstrelsy places him at the head of his profession.

Better than Pills.

The question has been asked, "In what way are Chamberlain's Stomach and Liver Tablets superior to pills?" The answer is: They are easier and more pleasant to take, more mild and gentle in effect and more reliable as they can always be depended upon. Then they cleanse and invigorate the stomach and leave the bowels in a natural condition, while pills are more harsh in effect and their use is often followed by constipation. For sale by W. E. Pelham.

Tournaments for the Firemen.

Firemen's tournaments will be as numerous this year as county fairs. Charleston comes to the front with a big tournament for three days in May. The chief of the fire department of Charleston has taken up the matter, and it is proposed to hold the tournament on May 13, 14, 15. The dates indicate contests for hand reel, hook and ladder and horse wagon teams. Our boys should have their horse and wagon and enter some of these contests. Newberry firemen are the only boys that has ever yet kept the Columbia boys a guessing.

The Great Diskal Swamp.

Of Virginia is a breeding ground of malarial fms. So is low, wet or marshy ground everywhere. These germs cause weakness, chills and fever, aches in the bones and muscles, and may induce dangerous maladies. But Electric Bitters never fail to destroy them and cure malarial troubles. They will surely prevent typhoid. "We tried many remedies for Malaria and Stomach and Liver troubles," writes John Charleston, of Byesville, O., "but never found anything so good as Electric Bitters." Try them. Only 50c. All druggists guarantee satisfaction.

On Pleasure Bent.

In response to a request from the Red Men of Columbia, Dr. Van Smith and Mr. J. H. Hair, Great Senior Sagamore of the State, both prominent and active members of Baggell Tribe, No. 27, of Newberry, went to Columbia on Tuesday for the purpose of instituting a lodge of Haymakers in connection with Wasmaw Tribe, Columbia. That they succeeded and had oceans of fun, there is no doubt. They put sixteen members through the ordeal, who will hereafter have a higher conception of the duties in the "barnyard and hayloft."

Good for Rheumatism.

Last fall I was taken with a very severe attack of muscular rheumatism which caused me great pain and annoyance. After trying several prescriptions and rheumatic cures, I decided to use Chamberlain's Pain Balm, which I had seen advertised in the South Jerseyman. After two applications of this remedy I was much better, and after using one bottle, was completely cured. Sallie Harris, Salem, N. J. For sale by W. E. Pelham & Son.

to get a bottle of Painkiller, examine it carefully to see if it is made by Perry Davis, and don't be persuaded to take something "just as good" because it is a few cents cheaper. There is only one Painkiller, "Perry Davis." Large bottles 25c and 50c.

The Textile Club.

A special meeting of the Newberry Textile Club was held in the West End Odd Fellows Hall on Monday night. This is an organization of those in charge of the various departments and rooms of the Newberry cotton mill, formed for the purpose of meeting together and discussing, with the aid of stereopticon views, various questions concerning the machinery which they handle and the improvement of their work.

The subject for discussion on Monday night was economy in cotton manufacturing. After an address by Supt. J. M. Davis, stating the object for which the club was formed, and telling of the work which they are accomplishing, the subject was discussed by three gentlemen, Messrs. A. A. Freeman, J. Y. Jones and W. H. Wilkins, representing the three departments of carding, spinning and weaving. For the benefit of those present who were not familiar with the work, technical terms were used as little as possible, and the papers were interesting and instructive.

This organization is formed for a good purpose and is doing a good work and has the hearty endorsement and support of the management of the mill.

A VALUABLE MEDICINE For Coughs and Colds in Children.

"I have not the slightest hesitancy in recommending Chamberlain's Cough Remedy to all who are suffering from coughs or colds," says Chas. M. Cramer, Esq., a well known watch maker, of Colombo, Ceylon. "It has been some two years since the City Dispensary first called my attention to this valuable medicine and I have repeatedly used it and it has always been beneficial. It has cured me quickly of all chest colds. It is especially effective for children and seldom takes more than one bottle to cure them of hoarseness. I have persuaded many to try this valuable medicine, and they are all as well pleased as myself over the results." For sale by W. E. Pelham & Son.

COUNTY BOARD OF EQUALIZATION.

The Board Completed Its Work on Saturday. The Average Value of Land Fixed. The Auditor and His Assistant Complimented.

The County Board of Equalization completed its work on Saturday last.

The Board had a lot of work, but kept steady at it, and have done the county good service.

The Board fixed the average value of land per acre, including buildings, as follows, by townships:

Township No. 1—\$11; No. 2—\$4 70; No. 3—\$8 02; No. 4—\$4 03; No. 5—\$6 09; No. 6—\$6 04; No. 8—\$6 06; No. 8—\$6 09; No. 9—\$8 84; No. 10—\$6 61; No. 11—\$5 97.

The original assessment as returned by the taxpayers was adopted in only three townships, Nos. 2, 3 and 10. The others were either raised or lowered. In No. 1, it was lowered.

AUDITOR COMPLIMENTED.

The Board, before its adjournment, adopted the following resolution commending the auditor and his assistant. The thanks of the County Board of equalization is due and hereby tendered the county auditor and his assistant, H. K. Boyd, for services rendered and favors shown the board during its session.

Marriage of Mr. W. B. Werts.

The following account from the Greenville News of the marriage of Mr. W. B. Werts, formerly of Newberry, to a young lady of Greenville, will be read with interest and pleasure by his many friends here:

"Happy wedding chimes were rung at the residence of Dr. J. B. Bruce on Tuesday afternoon, when Mr. W. B. Werts and Miss Lilly M. Bruce were united in Hymen's holy bonds. The ceremony was performed by Rev. T. G. Herbert of St. Paul's Methodist church, and was witnessed by a few of the mutual friends of the contracting parties. Shortly after the ceremony the bridal couple left for Charleston, where they will spend some days. Upon their return to Greenville they will be at home to their friends at the residence of the bride's parents, 405 Buncombe street.

The groom has been a resident of Greenville for about one year and has been connected during that time with the office of The Greenville Daily News. There, as elsewhere in the community, he has won the esteem and good will of those with whom he was thrown and who unite in hearty congratulations and best wishes for his happiness in his new relations. The bride has been a resident of Greenville a long while and has hosts of friends who extend to her their sincerest wishes for unmarred happiness during her life's journey."

EASTER AT UTOPIA.

How the Day was Observed at New Chapel Church.

Easter Sunday dawned beautifully, and at the proper time the people wended their way to their accustomed place of worship. It was to celebrate the greatest event in all history, and around which all others center—the resurrection of Christ.

The church was tastefully decorated. Just over the pulpit were these words, "A Risen Savior is Here." In and around the church were potted plants in bloom, and vases of beautiful flowers arranged so as to have a pleasing effect upon the audience.

The exercises consisted of songs and recitations appropriate to the occasion by members of the Sunday School.

Below is given the programme in full.

After the Sunday School exercises a fine and classical sermon was preached by Rev. L. D. Childs, P. E., on Missions.

NEWBERRY AT THE EXPOSITION.

The Special On Tuesday Morning Carried About One Hundred and Fifty Newberrians—Will Return Tonight

The special train over the Southern road which left here on Tuesday morning carried about one hundred and fifty persons from this place, including the students of the college, the school children and the people of the county generally. The train left the Southern depot here at 9.10 a. m., and arrived in Charleston at 3.00, making the run in just a little less than six hours. When the train reached its destination, however, some of the Newberrians were not on. They had been left in Columbia. The following from the State tells how it occurred, and also shows the resources of a prominent citizen of our town, the Hon. H. H. Evans:

The Newberry College special arrived at 10.50 a. m. There were five coaches comfortably filled. Dr. Geo. B. Cromer, the distinguished president of the college, has been in Charleston for several days, making arrangements for the accommodation of the party. There were one hundred and twenty of the students of the Lutheran college aboard, and they were accompanied by a number of friends from the city of Newberry.

An enthusiastic Columbian who was once a citizen of Newberry took a bevy of pretty girls in tow and was showing them the new passenger station, the great Olympia mill and other sights in that vicinity. While they were thus enjoying themselves the train slipped off and the young people were stranded. The Hon. Hub Evans, who was aboard the outgoing train discovered that the ranks of the party had been decimated and when the special arrived at the junction, three miles south of Columbia, Mr. Evans got off and caught the Atlantic Coast Line's regular train which was passing at that moment. About the time the Coast Line arrived at the station, the Wofford college special came in on its way to Charleston and the Newberry folks who had gotten left were given accommodations on the Wofford special.

The train will leave Charleston for the return trip some time this afternoon, and is scheduled to arrive here at 11 o'clock tonight.

PRESIDENT CROMER.

What He Has to Say of the Great Charleston Exposition—Everybody Should See It.

President George B. Cromer, of Newberry College, is among the prominent Exposition visitors in the city today. Dr. Cromer is one of the brainiest educators in South Carolina, and a scholar and speaker of wide reputation throughout the South. He is also an earnest church worker and he has accomplished much during his life toward the betterment of the conditions of mankind. Dr. Cromer when seen yesterday stated that he could scarcely find words to express his praise of the Exposition. He said that it was a wonderful exhibition of the advantages and resources of the country, particularly the Southern States, and an education in itself. President Cromer recently paid a visit to the Fair and was so favorably impressed with it that he determined that as many students as possible should see the big show. A delegation from Newberry College, numbering about one hundred, will reach this city today.—News and Courier, 1st.

He Does Not Make It.

Your grocer may be perfectly conscientious in recommending another flour to be "just as pure as 'Clifton,'" but he does not and cannot know it to be so, because he has nothing to do with its making. It behooves you, therefore, to buy an absolutely guaranteed flour—one that the Anti-Adulteration League puts its registered trade mark on—and such a flour is Branston's "Clifton." It is not only absolutely pure, but it is the best winter wheat patent flour in the market. Ask your grocer for it.

If you want a cheaper flour buy our "White Fawn" (half patent) or spotless (Straight). They are just as pure, though not so white as 'Clifton.'

TALK OF A NEW COUNTY.

With Whitmires as the County Seat—County to be Formed by Cutting Off Portions of Newberry, Union, Laurens, and Probably Fairfield.

The question of the formation of a new county, to be composed of portions of the present counties of Newberry, Union, Laurens, and Fairfield, is being agitated a good deal by the people of these counties living in and around the point where Newberry, Union, and Laurens join. No definite steps have yet been taken, however.

The county seat of the proposed new county would be Whitmires. Taking Whitmires as a centre, the county would be bounded by Newberry, Laurens, Union, and probably Fairfield and the extreme eastern point would probably reach nearly to the southwestern corner of Chester.

As has been stated, no definite steps have been taken, but the people of the section to be embraced by the proposed new county want to get nearer a court house and are agitating the question a good deal among themselves.
